NORTHFRAME · WEBSITE DESIGN

A website concept for CNC Mark

An independent design proposal: how your website could look on a desktop screen and on a phone.

- "Your part, cut in Longview." with your own machine photo, since 2012, 30+ years and Doosan, Kitamura and Hwacheon right below
- As visitors scroll, a tool point runs a raster path over your engraved skull plate and cuts it out of a grey blank
- Your seven services, industries and materials, your welcome to visit or pick up orders, and your hours day by day

This is a design preview, not a live replacement for your current site. Services, machines, hours and photos come from your current website and would be confirmed with you before anything goes live.

CNC MARK, LLC

Toolpath Services The shop Visit (903) 702-9250

OWNER-OPERATED · FAMILY OWNED · SINCE 2012

Your part, cut in Longview.

CNC Mark is Mark Cross's machine shop on Jordan Valley Road. Rapid prototypes, small batches and high-volume production in steel, aluminum, stainless, brass and plastics, backed by over 30 years of experience.

Call (903) 702-9250 Email Mark

SINCE	EXPERIENCE	MACHINES	RUNS
2012	30+ years	Doosan · Kitamura · Hwacheon	1 to high volume

TOOLPATH

Line by line, the part comes out of the stock.

Scroll to run the program. This is a real CNC Mark job: an engraved plate, cut pass after pass from a solid blank.

```
N0220 G01 Z-0.010 (pass 21 of 22)
G01 X8.100 Y0.400 F40.
```

SERVICES

One shop, from the first prototype to the full run.

01

Rapid prototyping

Get the first piece in hand to test it before you commit.

02

Small-batch machining

Short runs and one-off parts.

03

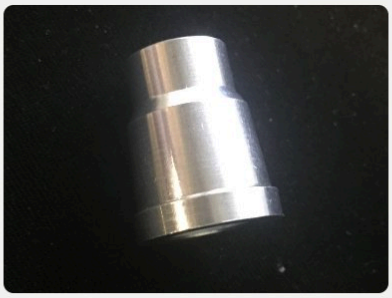

High-volume production

Repeat parts in quantity.

04

CNC milling

Pockets, profiles and engraving on the mills.

05

CNC turning

Round parts, shafts and bushings.

06

Routing for sheet materials

Sheet stock cut to shape.

07

CNC programming

Bring a drawing or an idea, and the program gets written here.

THE SHOP

Industries we machine for.

Automotive · Oil · Gas · Aerospace · Military · Farm · Construction

MATERIALS

Steel · Aluminum · Stainless · Brass · Plastics

"We love our customers, so feel free to visit, call &/or pick up orders during normal business hours."

MARK CROSS, OWNER

VISIT · CALL · PICK UP

Send the drawing, or come by the shop.
