HOW A DOUGLAS KITCHEN COMES TOGETHER

From the first visit to the last door.

01

Consultation at your home

It begins with a complimentary on-site consultation about your space, style and how you use it.

02

On-site measuring

The room is measured where the cabinets will live, so every run fits the walls it meets.

03

Computer-generated drawings

Custom drawings with recommendations on cabinet styles, functions and wood types, including specialty

A clear route on a phone

Designed, built and installed from one Greenville shop.

Family owned since 1992, building custom cabinets for homes across Dallas-Fort Worth from locally sourced materials.

The concept adapts to a narrow screen, with the phone number and the next step always in reach.
