

Your business

Share the details for your website. Short answers are fine. Fields marked * are required. Save your completed PDF and return it by replying to our email.

Business name for the website *

Project contact name *

Project contact email *

Project contact details are not published by default.

Public business phone *

Email for website inquiries *

Show the inquiry email on the website? *

- ☐ Yes
- ☐ No - use the contact form instead

Primary city and state *

Service areas *

List the cities or areas you actually serve.

Public address (optional)

Only if customers may visit; otherwise leave blank.

Business hours (optional)

For example: Mon-Fri, 8am-5pm.

Your services and story

Your package includes Home, Services, About, Reviews/Projects, and Contact. We will use your answers to prepare the first draft.

Main services *

List up to five main services, with the most important first.

About your business (optional)

Share facts about your team and approach. Only include dates or experience you can confirm.

What should visitors do first? *

- ☐ Call us
- ☐ Request an estimate through the form

Style preferences (optional)

Brand colors, one or two website examples, or anything you would like us to avoid.

Your images and evidence

Use approved materials only. You can share a folder link instead of attaching large files. Give viewing and download access; do not share passwords.

Logo and photo folder link (optional)

What is still missing? (optional)

For example: logo, photos, business description, or project details. Write "Nothing" if ready.

Project details (optional)

Match photo filenames to the work shown and its general location. No customer addresses.

Review sources (optional)

Link to original reviews or your Google Business Profile. We will confirm what can be used.

Licenses, certifications, or warranties (optional)

Include evidence links and relevant conditions. Leave blank if not applicable.

Missing information will be flagged for confirmation before publication.

Setup and approval

Tell us about your existing setup. Launch dates are preferences; timing will be confirmed. Do not include passwords, payment details, or customer records.

Current website (optional)

Preferred launch date (optional)

Domain status *

- ☐ I own a domain
- ☐ I need a domain
- ☐ I am not sure

Domain name and provider (optional)

If you own a domain, add its name and provider.

Business email setup (optional)

Uses this domain? Yes/No/Not sure. Add provider.

Website approver name and email *

Name one person who will collect feedback and approve the final version.

Anything else we should know? (optional)

Mention existing features to preserve or details that still need confirmation.

Your package includes one revision round. Please collect feedback into one list. We will ask for approval before publication. This form does not replace your agreement.

☐

I have checked these details, am authorized to share the materials, and have flagged anything that needs confirmation. *
