NORTHFRAME · WEBSITE PROPOSAL

Your new website, J.A.C. Welding & Fabrication

Based on the concept you've seen: the welding arc between "Welding" and "Fabrication", your services, certifications and project photos, built for phones first.

$999 once
+ $99 a month

Pilot price for our first clients. Payment by card (Stripe) or bank transfer.

INCLUDED

- 5 pages: Home, Services, About, Projects, Contact
- The concept design, finished with your confirmed details
- Built for phones first
- Click-to-call and a quote form
- Basic local SEO setup (hours, phone, service area)
- One round of changes
- Hosting, SSL and monitoring
- Small content edits every month

NOT INCLUDED

- Online shop
- Customer logins or portals
- Complex booking systems
- Ongoing SEO campaigns
- Unlimited changes

HOW IT WORKS

1. You reply "yes" and we confirm the details by email.
2. You fill in a short onboarding form: services, photos, address and domain.
3. We finish the site with your details.
4. You send one round of changes.
5. You approve it, and it goes live on your domain.

WHAT WE NEED FROM YOU

- Your street address near the Stockyards
- A quick check of services, certifications and photos
- Access to your domain by invitation (never send passwords by email)

TIMELINE & TERMS

- Delivery in 1 to 4 weeks
- The monthly plan runs for 12 months
